

Fifi's Soles

THEIR SOLES. HER SOUL.

Their soles. Her soul.

We collect gently used basketball shoes — and the soccer cleats and athletic shoes that come with them — and put them on the feet of kids in Kinshasa, DRC. In memory of Fifi, who raised her son Tichyque on those streets.

BRING US

What we take

- Basketball shoes (our focus)
- Soccer cleats — indoor or outdoor
- Running, training, court shoes
- All sizes — youth to adult
- Gently used — soles intact, laces present

PLEASE DON'T

What to skip

- Dress shoes, sandals, flip-flops
- Shoes with holes through the sole
- Shoes missing laces (without replacements)
- Cleats with severely worn studs
- Shoes that have been wet long-term

Drop your pair in the bin.
A kid in Kinshasa will play in them in summer 2027.
